Each Summit | FC team to include our Partner Clubs: Atletico, MetaSport, SWAT, Vipers, and L30 Legacy is required to have a HEAD COACH and an ASST COACH with a Concussion Certificate (CC), Safe Sport Trained Certificate (SS) & the necessary Coaching License (see Step 3) for the team registered in Affinity.

It is strongly encouraged that each team have a registered TEAM MGR to help with team communication, organization & scheduling. **Team Managers MUST complete SafeSport and Concussion Training.** It is up to individual teams to decide if they will have TRAINERS or other DEVELOPMENTAL STAFF helping with the team. ***EVERYONE assisting with the team must also be registered volunteers in Affinity (which prompts a background check) and have completed their Concussion and Safe Sport Certification.*** This is NOT negotiable. Failure to comply with these mandatory volunteer requirements will result in disciplinary action, to include but not limited to suspensions or the inability to renew a team with Summit FC in the future. This best practice is in place for the protection of both the volunteers and the players. Your compliance is both required & appreciated.

NOTE: There is NO FEE for either the CC or SS certifications.

COACH FAQs

[EXAMPLE TRYOUT OFFER \(CLICK HERE\)](#)

Tryouts Offers must include the following:

- (1) The date of the offer;
- (2) The name, age group, anticipated coach and anticipated level of the Team for whom the offer is made (notice of the level of Team made is not necessary for X-league teams*);
- (3) The time period in which the player must respond to the offer, which may not be less than 48 hours.

Note: A player can accept a tryout offer immediately, but they don't HAVE to. You must hold their spot on the team for 48 hours, after which you can decide whether to extend the original offer timeframe or move on to another player.

*UYSA policy doesn't require you to provide expected level or division for U9-U12. Summit FC prefers that if you have an expected division that you include it. Because there are a lot of new teams forming in these age groups, UYSA does not require it.

Your team tryout information (provided in your Team Request) will be posted to the Summit FC Tryouts Google sheet. Please review the following Tryout Reminders for Coaches & posted Tryout Info below. If you have questions, make sure to ask – admin@summitfcutah.com. Ignorance of the policy is not an acceptable or valid excuse. You are responsible for knowing and adhering to the rules. All 250+ Summit FC teams & 2500+ players count on it.
